

Pacifica

Tops available in HPL Cognac or HPL Empire Mahogany (African Walnut) shown in HPL Cognac.

Essentials

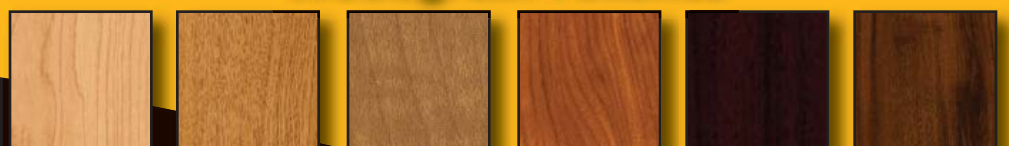

Shown with Black Chassis and Woodlawn Cherry tops.

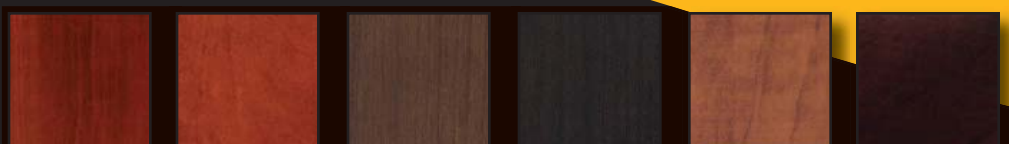

Exciting in presentation, beautiful in design, bold in execution, the Pacifica from the Workstream Collection merges the elegance of tradition with the functionality of contemporary in this transitional aesthetic. The work surfaces are brilliant in your choice of two different glossy high-pressure laminates accented with the warmth of real wood edge detail. Your sense of style and flair can be reflected by adding matching contrasting colors to the flowing lines of the chassis.

These are the essentials of a fluid working environment - 30 components that easily configure to serve the tasks and the tasker. It is unusual to find affordable style of this quality. Just pull out the drawers. Smooth! Those are full suspension ball bearing slides at work. The classic profile of Essentials complements any existing look - whether for an enclosed office or the open plan. The entire line is available in a generous variety of solid, textured or wood grain laminates in monochromatic or contrasting colors

Workstream

Made in the USA

Casegood Collection

Workstream

STANDARD COMPONENTS

Welcome to the Workstream Collection!

This brochure gives you an overview of each series from Workstream, along with popular SKU's from each series. Most Workstream series feature 1" thick TFL (Thermally Fused Laminate) tops, thick PVC Edge banding, full extension drawers, and premium drawer slides. Pacifica Series features 1 1/8" thick tops and a glossy HPL (High Pressure Laminate) with a solid wood edge. New Advantage Series features 1 3/8" thick tops!

Workstream product is made in the USA (Fairfield, Ohio) and offers several UNIQUE features, benefits, and programs that NO ONE ELSE in the office furniture industry offers!

- Workstream product is shipped FULLY ASSEMBLED. No hidden labor charges for assembling furniture! (Except conference tables and bridges)
- Workstream offers the best laminate casegood Quickship program in the industry, period! Everything we make is made and ready to ship in either 5 or 10 days, depending on the laminate color (*Subject to certain maximum order restrictions. Consult your Workstream representative for details. Pacifica and Advantage Series are 10 day Quickship).
- Workstream Product features metal to metal connections for pieces that join together. This means a secure, tight fit the first time you put it together or the 20th. NO drilling holes into bare wood like the rest the rest of the industry offers!
- With Workstream, everything is INCLUDED in the price. Grommets (where applicable) as well as your choice of FIVE premium drawer pulls all at no extra charge!
- Workstream is available on Giza and CAP Software. Need help with your drawings and layouts? Workstream Customer Service typically turns quotes around in 24 to 48 hours...we are happy to help you! (Customer service cannot provide CAP drawings service.)
- Most Workstream series are INTERCHANGEABLE...Go ahead and mix and match a Studio desk and an Essentials hutch if you wish! Want to two-tone your order? No problem!
- Workstream is happy to do modifications to our standard product as well as special product... just contact our Factory or your Workstream Representative! Want a High Pressure top? We are happy to do it...contact Workstream customer service for pricing!

Studio

Shown in New Hampton Maple.

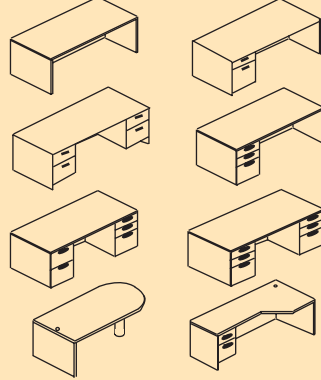

Full-to-the-floor pedestal option offers generous storage. Choose two personal drawers and a file drawer or stack two file drawers for greater filing capacity. Over 360 Studio components organize the workstream - all with continuous height lines; no ups and downs to cause visual clutter - and with full-to-the-floor modesty panels on every desk. Choose from a wide variety of solid, textured or wood grain laminates in monochromatic or contrasting colors.

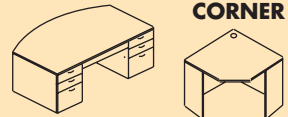

Shown in Kensington Maple tops and black chassis.

Studio series shown with curvilinear tops. (Old Curves Series)

Archworks

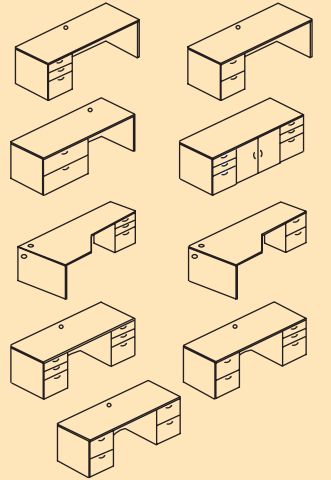

Shown in Kensington Maple.

A fresh wave of executive styling arches over boxy tradition bringing contemporary elegance and a full array of storage. Curvilinear design cues flow through the worksurface, fascia and recessed panels bringing symmetry between the horizontal and vertical elements. Over 50 components, all with continuous height lines, configure with ease to uniquely compose each suite. Choose from a generous variety of solid, textured or wood grain laminates in monochromatic or contrasting colors.
